

St John's Catholic Pre School & Flexible Wraparound Care

"Wraparound care' is most usually referred to as childcare that wraps around a child's Nursery/Pre School Education. Every child is entitled to 15 free universal hours and if they meet the criteria an additional 15 hours, funded by the Government each week (Early Years Funding - EYF). It is offered before or after the funded sessions and allows parents and carers to extend their children's hours to attend work, complete training or take part in other interests and activities, knowing their child is able to be cared for safely."

With the support of St. John's Extended School Club, we are able to offer Parents flexibility to choose the sessions they want for their child.

Children attending St John's Pre School can be cared for from 7.45am (7.30am if required) – 5.45pm five days a week, term time only.

We provide a stimulating and caring environment where children feel happy and secure.

The St John's Extended School Club is in the Infant School hall and a dedicated Early Years member of staff ensures children are cared for before and after Pre School in a safe, secure and nurturing environment.

As Parents/Carers you choose the daily care you require for your child – each day can be the same or different, you decide the times and hours - we are here to support and help you in any way we can.

Please see below the care we can offer you.

Please indicate on your Admission Form the sessions / care you require.
