

Our Vision

In foundation our vision is

- For all children to feel safe, be happy, and to have a sense of belonging to our school family.*
- To continue to develop the children's faith journey, bringing the Gospel alive and deepening their relationship with God through prayer and liturgy.*
- To live out our school values in everything that we do.*
- To encourage the ethos of working hard, trying your best and never giving up!*
- To implement a creative curriculum which allows the children to know more, remember more and apply more.*
- To develop skills that will allow them to explore, question and challenge their knowledge.*
- Create an environment which nurtures the children, allowing them to be confident and learn with enthusiasm.*
- Develop social skills that will help them to form relationships and to be a good friend to others.*
- To have fun and enjoy their time in school!*
