

St John's Catholic Infant School

MISS NIAMH LARKIN

PARENT GOVERNOR

I am a mum of two. My daughter is currently in year 2 and my son is in F2. I come from a family with a strong catholic faith, my father is an ordained Deacon in the Dublin Diocese and my uncle is an ordained priest in the Dublin Diocese.

St. John's has an excellent reputation and I would really love the opportunity to be part of its Journey and contribute in whatever way I can to support both staff and parents in the St. John's community and to play an active part in assisting the school in continuing to be a school with a high standard for nurturing education, with children at its heart.

I am not afraid of speaking out if I have concerns about something or if I feel something is not right, but mainly I hope to be able to support and assist governors in the decisions that have to be made.
