

Online Safety Newsletter Spring Term 2023

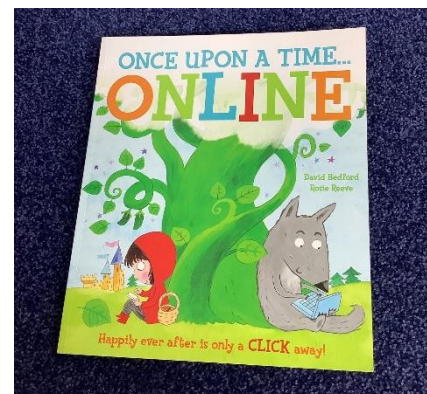

This half term we have celebrated “Safer Internet Day”. The theme for this year was “Let’s talk about it”. We gave the children lots of opportunities to talk about how they use the internet and asked them to think of advice they would give to others about how they could keep safe online.

Year 2 listened to the story of “Hanni”. They heard about a little girl who saw something she did not like on the internet. They talked about how this would have made her feel and what she should do about it.

Year 1 enjoyed playing “This or that” sharing which activities they enjoy most online and why. They also played “ask a friend” thinking of questions to ask each and answering their friends questions.

F2 enjoyed listening to the story “Once Upon a Time Online” The children thought of advice that they would give to the different characters. They then displayed their advice in the computing area.

Why not ask your child if they could give you some advice for staying safe online?
