

St Andrew's

Class Mission Statement

Our classroom is full of happiness,
kindness and love.

We listen and show respect towards each
other and our world.

We want to learn new things and share
our learning with friends.

We help our friends to be the best they
can be and celebrate others'
achievements.

We always try our best and never give up.

We feel God's love and support in our
learning and do our best to please Him.
