

Saint Teresa's Class Mission Statement

St. John's Catholic Infants is amazing! It is a happy and safe place full of joy and we love belonging to our School family.

We love learning, laughter and having fun together and playing with our friends. We know God is close to us.

We love God very much. We pray together and listen and share the Gospel message.

We look after each other and love our teachers, who help us to grow more like Jesus each day.

We try to be like Saint Teresa by spreading our smiles, love, peace and kindness to each other every day.
