Please do not refer to individual members of staff by name.</p> | <p>St. John's is an excellent school. My child is happy and making great progress; the staff are genuinely caring and know the children very well. a lot of effort is put in from all staff to make parents' feel involved and provide opportunities to come in and celebrate the children's learning.</p> <p>This school is amazing! your always there to help both me and the children. Thank you!</p> <p>We feel so very lucky that this is the school our daughter attends.</p> <p>The school has a strong family and community support and as parents we feel connected and well informed.</p> <p>Really appreciate the speed at which issues raised have been dealt with and the availability of staff to be able to discuss issues quickly. Now he is in F2 and reading books confidently and loves to learn. The children are happy and very well supported here.</p> <p>We have been very happy with the school. the children have thrived and love coming in everyday</p> <p>I have always loved the school, its staff and how it is run. My daughter thoroughly enjoys school and I love being able to see what she has been up to via Twitter. I for one will be very sad when she goes up to Juniors. Thank you</p> <p>Sometimes on the EYFS learning journal it is whole class pictures and sometimes the pictures do not include my child and they are of other pupils attached to the observation. A few more personalised comments specifically about Aiden was be beneficial.</p> <p>Please can school events not be in the middle of the day eg. 1.45pm. Can it be 9am or 2.30pm.</p> <p>Please can there be more access for parents to view school assemblies, workshops online as I can not always come out of work and would still like to be involved.</p> |
